

TexTailor Expo, Bulgaria

by Spex Ltd and International Fair Plovdiv

Vision: Our vision is TexTailor Expo to establish itself as a representative forum for the Balkan textile, leather and fashion industries to represent them globally and to support their growth and innovation.

The **Mission** of TexTailorExpo is:

- To enable all companies in the textile, leather and fashion industries to present their products and services to a wide international audience
- To be a forum for exchange of experience, ideas, networking and successful business partnerships
- To provide conditions for the symbiosis between art, education, science and production in order products and services of higher value to be created
- To raise awareness about the need for sustainability in fashion, to promote dialogue on the topic of sustainability and to support start-ups in the field of sustainable fashion in showcasing their products.

Thematic areas:

- Equipment for the Tailor
- Supplies for the Tailor
- Apparel Sourcing
- Ready-to-wear
- Leather and leather products
- Professional education

Every year the organisers support young designers to showcase their products (with emphasis on sustainable fashion) in the **Start-up** zone of the event.
